

New commission payment options make getting paid easier and faster! Effective for brokers appointed on or after February 5, 2018, Legal & General America will offer four choices for commission payment:

- Daily EFT
- Weekly EFT
- Monthly EFT
- Monthly Paper Check

Standard (three times each month) and bi-weekly paper checks will no longer be offered as payment options.

EFT payments provide advantages for agencies and brokers:

- Quick and easy sign up.
- Everyone gets paid faster. Commission can be conveniently deposited into your account on a daily basis.
- Agencies save time by not having to sort and deliver paper checks.
- Agencies save money by not having to mail checks to brokers.
- "Go Green" - It's an opportunity to be more environmentally friendly.

The BK-12 form has been revised to reflect these options.

You can find the new BK-12 form (Commission Payment Profile) by logging into the Partner Dashboard. Click on Forms and then View All Forms. Type BK-12 (for Banner) and BK12WP (for William Penn) in the search bar. To get a copy without logging on, click [here](#) for Banner, [here](#) for William Penn, or use the buttons below.

Already appointed?

Brokers that are already appointed with Legal & General America and are currently receiving paper checks can also take advantage of these EFT options by simply completing a BK-12 Form and providing a copy of a voided check. All paperwork should be submitted through the GA.
